[www.BusinessManukau.co.nz](http://www.BusinessManukau.co.nz)

**Our Crime Prevention Manager, Anton Welsh, has recently visited all of the businesses in your street and has been alerted to the following ongoing issues:**

- Walk-in thefts of handbags, cash and tools.
- Regular graffiti and tagging.
- Undesirable and suspicious characters visiting the street both day and night.
- No street security patrols in the area.
- Slow response from Police to callouts from businesses.
- The street being full of parked cars from early morning, making visitor and staff parking difficult.
